5. ☐ vs. CAVATA: At present, ☐ who is a member of the CAVATA School Commission, is feuding with CAVATA officials over the way the CAVATA school is run. CAVATA holds a two-month training course for US officers and ☐ wants them to break this into two one-month blocks so that trainees will not have to be away so long at one time. CAVATA is not to accept this suggestion, so ☐ announced that he will get provisionally more instructors for their courses until they alter their schedule. This means that there is, at the moment, no chance that CABOLT will transfer to the CAVATA school. CABOLT seemed not to mind this development at all.
